

How you blessed us:

We greatly appreciate your donation towards our cause of empowering underprivileged children and levelling the playing field for them.

Because of your donations, we were able to better cater to improving the lives of these children.

We want you to know that your donations are changing lives and these were the ways you have impacted the underprivileged community.

26 Alphabets learnt

Because of your donation, a class of 15 were able to read and write all 26 alphabets. It might seem like a small achievement but it is a significant milestone for them!

Students Highlight

Kwan Ping An:

This is our Star Student, he managed to learn a full song in 1 week!
P.S. We are blessed by his singing at the end of every lesson.

Nancy Chew:

Nancy is a hardworking student who wishes to become an English teacher just like us to give back to the community

Festive Season

This giving season, 10 students were able to receive presents that they usually would not have. Thank you for efforts in helping them stay motivated to learn and excel.

Once again...

We would like to thank you for your continuous support in this movement, to allow books to be placed in front of these students, tables for them to study and an environment for them to thrive. Without you, everyone's life would have been different.

We encourage you to share this experience with your loved ones to help provide more awareness to our cause. Until next time!
